HI, I'M SANIA

Social Media Manager *Who Loves Her Craft*

I care deeply about the brands I work with every reel, caption, and strategy I create is made with intention and heart.

Pricey Influence

USA-Based Influencer Marketing Agency

Problem

No social media presence, no brand positioning, and no online identity in marketing space.

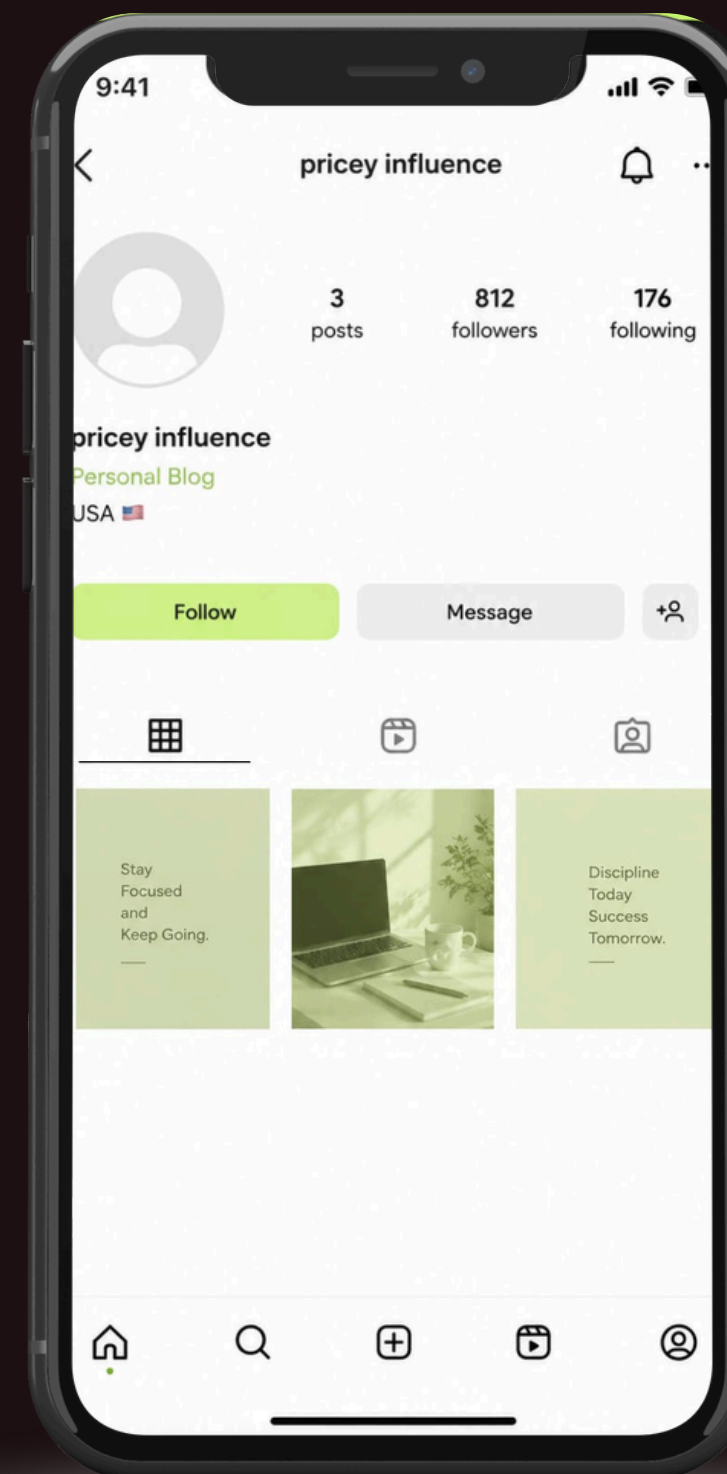

What i Did

Built their Instagram + Facebook from scratch, created brand strategy, designed content, and developed a pitch deck for collaborations.

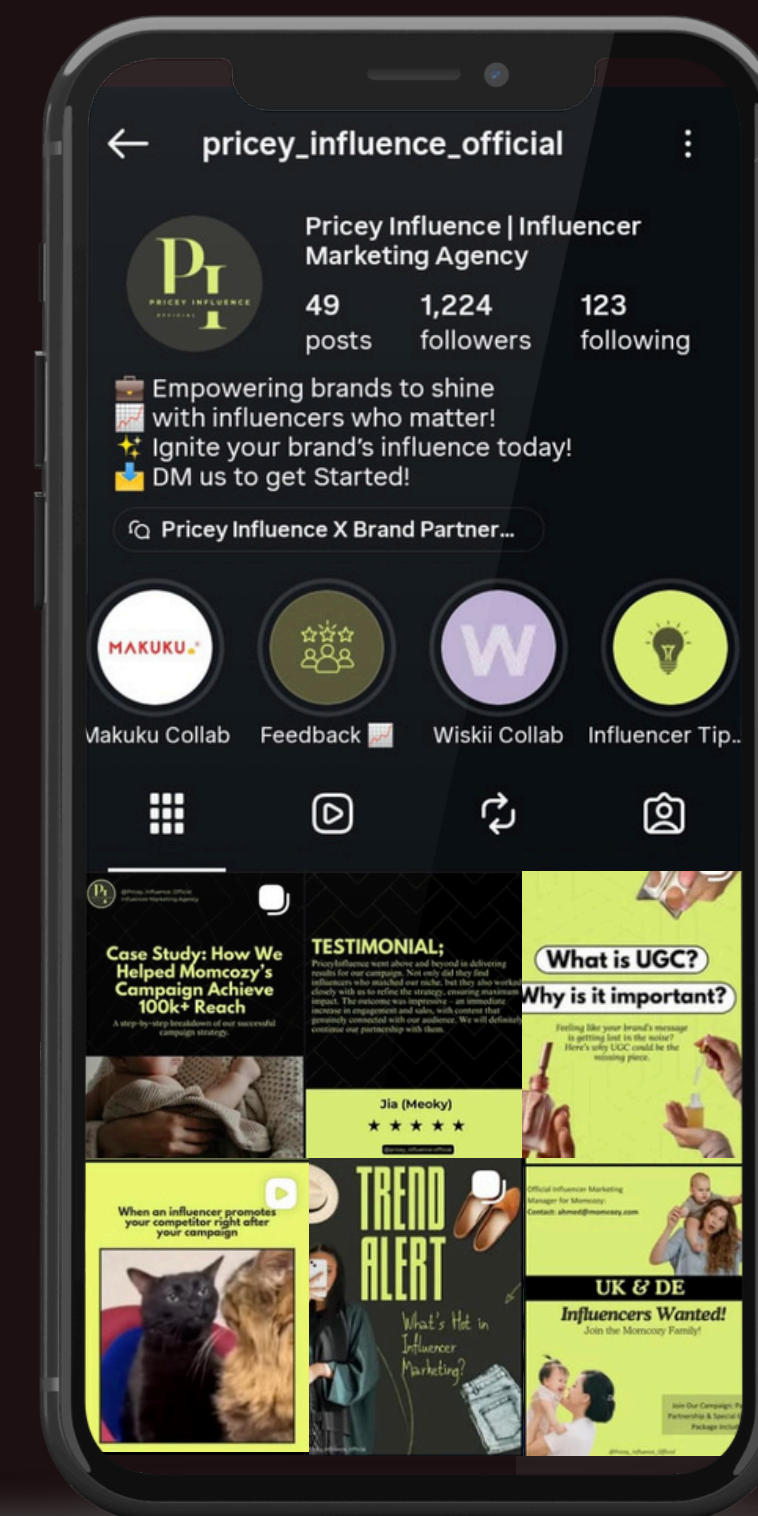

Result

Positioned the agency professionally online, attracted outreach from multiple brands and influencers, and established a strong foundation for client acquisition.

BEFORE

AFTER

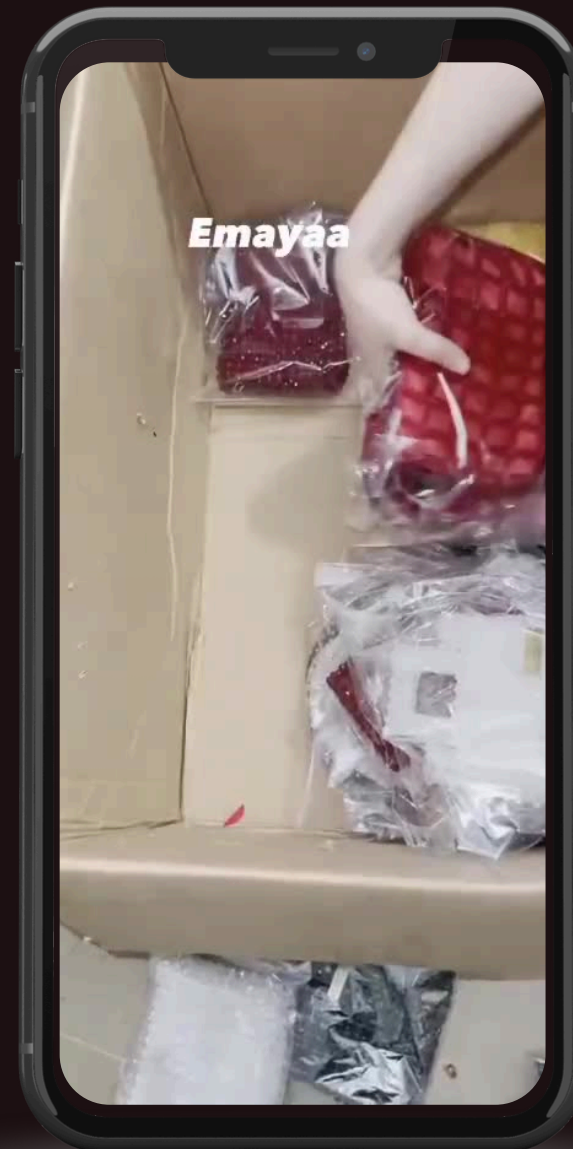

Emayaaa

Bags and Abaya Brand

Developed a content strategy that strengthened storytelling, improved engagement, and positioned the brand consistently across Instagram.

“ Sania conducted a thorough audit for me, and I absolutely loved the report she provided. In addition to that, she is also a voiceover artist on my page. Her skills in script writing and voiceovers have been instrumental in attracting potential clients. I'm truly impressed by her versatility and expertise!

Emayaaa Store

Absolutely thrilled to have Sania on board as my assistant! She is truly a gem of a person, and her contributions have been invaluable. I hired her to assist with my social media, and she has exceeded all expectations. Her creativity, dedication, and attention to detail have significantly boosted our online presence. Sania's positive attitude and willingness to go the extra mile make her a pleasure to work with. I couldn't be happier with her support, and I highly recommend her to anyone looking for top-notch assistance in the social media space!
